Rising Light Through Chili Powder, Bible Study, and Mental Health Discussions.

Merry Christmas and Happy New Year! Throngs of people joined the Royce family pictured here and made room in their family Christmas celebrations for Christmas worship at Crosslake Lutheran. They came like the shepherds and wisemen using the light of the star only to find that there was an even brighter light

emanating from the manger. Jesus, the light that shone in the darkness. The Gospel of John proclaims this truth, "What has come into being in him was life, and the life was the light of all people. The light shines in the darkness, and the darkness did not overcome it." (*John 1:3b-5 NRSV*) I encourage you to remember that Christmas is more than a day. It is a 12 day season of the church calendar. Yes, take these beautiful texts from John 1, Matthew 1, and Luke 2 and read them as daily devotions as we prepare for a new time in the church year, Epiphany.

Epiphany is simply and most radically a revealing, the revealing of the Light of Christ to world. We follow John the Baptist who "was not the light, but came to testify to the light. The True Light, which enlightens EVERYONE, was coming into the world." We too, are called to participate, to testify, to this light which continues coming into the world. The hymn, "Arise Your Light Has Come," written by Ruth Duck, invites our participation.

|--|--|
| <p>1 Arise, your light has come!
The Spirit's call obey;
show forth the glory of your God
which shines on you today.</p> | <p>2 Arise, your light has come!
Fling wide the prison door;
proclaim the captive's liberty,
good tidings to the poor.</p> |
|--|--|

Here are just a few ways we will be doing this in the month ahead.

- Our midweek Bible will explore how to navigate scriptures using Dr. Powell's, "How Lutherans Interpret The Bible." Navigating scriptures to hear the promises of God and find God's call and ordinance for our lives can be a challenge. Dr. Powell will give us tools to feel God moving in epiphanal ways so that we can move in testimony to the light. See page 4 for more details.
- Following the example of our adults, our youth will embark on their own exploration of Mental Health topics in January and February. They will be looking for the light of Christ to be revealed in the dark and scary world of mental health.
- Finally we will have some fun revealing Christ's light at the Crosslake Winterfest on Friday, January 31st from 7-9pm. Members of our Church council will join me as we serve up cups of free chili to the participants at the Celebrate Winterfest event where there will be sliding, skating, and sleigh rides. Come to join in this celebration of community!

Merry Christmas, Happy New Year, and a bright Epiphany to you! Pastor Kurt

4 Bible Study: How Lutherans Interpret the Bible

For our Wednesday Bible Study, Dr. Mark Allan Powell, a Lutheran pastor and Bible professor at Trinity Lutheran Seminary in Columbus, Ohio, will lead us as he explores (through DVD segments) how Lutherans interpret the Bible. Dr. Powell will invite us to explore seven important questions about Lutherans and the Bible. He does not prescribe "the Lutheran way" to read the Bible nor does he dismiss the way you may have come to understand the Bible. Instead Powell presents a variety of Lutheran perspectives for interpreting the Bible. Through Powell's rich discussions we will discover answers to questions we may have always had about the Bible. After watching the DVD together, we will have great discussion time as always! Join us on Wednesdays, from 10:00 AM to 11:30 AM

Crosslake Lutheran has a new sign!
Thank you to the Facilities Committee for
all their work in making this a reality.

Happy New Year!

We thank all of you who ordered from our fruit fundraiser and especially all those who helped unload the truck and helped get the orders out. Many hands make light work! Thank you so much!

In December we went 'caroling' and visited our home-bound friends. We brought gifts and had some nice conversation. A meaningful experience for all! Please check out the Crosslake Lutheran Church Facebook page to see pictures!

There will be a parent meeting on January 15 at 7 pm for ALL 7-12th grade youth and parents with important information regarding our Youth Ministry Program!

A special THANKS! To all of our **Faith 5 Small Group Leaders** – Andrea Haar, Bob Erickson, Jill Andersen, Jodi Schott, Christy Potocki, Kari Lohmiller, Beth Wolf, Shari Monahan, Karen Senst, Lisa Slepica, Deanne Trotter, Carrie Joyce, Autumn Thull, Janet Hennies, and Kristin Larsen. We are so grateful for your time and all you do!

Giving brings JOY to our hearts and it is our work to do here on Earth. It is my HOPE that 'giving' becomes a way of life for our youth. The LOVE of Jesus is in our hearts and guides our actions. May all of our actions be FAITHFUL! May PEACE be with you all!

Happy New Year—A Time for New Beginnings.

I will heading south for several months as I take time to renew, rest and relax. **Becky Kalton and Connie Caspers will be covering the visitation part of my Parish Nurse role and I will be accessible to church by phone as well. Please call the church office if you need anything from health ministry and Brenda will help you contact one of them.** They provided excellent coverage last year and I am so blessed to have someone who can step into the role.

A Time for New Beginnings: It could be setting a New Years resolution or writing down things that you hope will happen in the new year. Setting intentions helps to guide your attention to what you want so that you have guidance about new directions. Maybe it is to eat healthier, perhaps it includes meditation or guided imagery that clears the mind, perhaps including more prayer time or bible study.

Posting a list of your intentions for 2020 is a great idea in order to be more conscious about choices- nothing changes if nothing changes.

Thank you all to those who made Christmas special for our homebound or those in a facility. The “elves” delivered 17 gift bags that included fun Christmas things and a gorgeous quilt from the Quilting group. I wish that all of you could be with us when the gifts are opened- it would really help all understand how much is means to be remembered during the Christmas season. Next year, think about ways that you can “adopt” a senior who may not have any family or friends. If you need ideas about how to find those folks- see me.

January can be a long month after all the hustle and bustle of Christmas- what about Epiphany visits in your local nursing homes? Reading a story, singing a song, bringing baked goods or just a smile would mean a lot to those who have little to look forward to. It is also great to check on neighbors who may

be still here—especially in the more remote places of the lake area. We can be the Good Samaritan to those who need a bit more help during winter.

Work is continuing on the Senior Expo which will happen at the end of April 2020.

Don Shelby will be the guest speaker and it will include mini sessions and lots of educational booths like last year. There is also lots of good food and gifts to be had so please watch for it in news releases etc.

Another great educational offering is “Back to Basics” which is held February

15th in Pine River. This all day event features a wide variety of education including holistic pet care, clean energy, greenhouse growing, wellness topics and so much more. Check out www.happydancingturtle.org for registration information since the sessions have a limit as to number of participants.

For those of you traveling, be sure to have enough medications to get you through your trip. Our clinic at Minneapolis Heart Institute gets calls often from folks who are out of meds and are out of the area. Be sure to also carry a list of your medications with you, as well as a little medical history if you have a few health issues since it is easier to update a new doctor about things such as allergies, etc. If you are out of town for an extended times, get recommendations from local folks about best clinics, doctors, etc. so that if they are needed it is easier to make that connection. Keep washing those hands to prevent flu.

Thank you to all who made our first Blue Christmas meaningful for those who attended. It was a special moment to be able to lay our cares and hurts down into the manger for the Blessed Savior to be with us in difficult times. The blue candles on the cross were a special reminder that the Light always wins out over the darkness. Enjoy the winter season, time of renewal, rest, and reflection no matter where you are. Gail Smith, RN—Parish Nurse

Faith Formation in a Secular Age

Featuring

Rev. Dr. Andrew Root

***Luther Seminary professor and Carrie Olson Baalson Chair of
Youth and Family Ministry***

“We live in the middle of our own transition as we experience the shifting of the framework in which the Western world has been built. Most of us don’t realize that we are living with a new calendar. Like people in the sixteenth century, we seem to be more concerned with what we’ve lost than with the fact that the whole calendar has shifted ... Charles Taylor asks, ‘Why was it virtually impossible not to believe in God in, say 1500, in our Western society, while in 2000 many of us find this not only easy, but even inescapable?’”

Andy Root, Faith Formation in a Secular Age

**Saturday, February 22nd; 1:00-4:00 pm at Bethlehem

CHILDREN'S MINISTRY

Thank you to everyone who worked so hard on our cross-generational Christmas Program "Twas the Evening of Christmas".

A special thanks to our students and their parents. Kristi Morsch directed our children and the adult choir. Gloria Kroeger accompanied our children on the piano during rehearsals. Patricia Lundeen accompanied our choirs during the worship services. Pastor Kurt created the worship slides and coached our children throughout the service.

Coming in January:

On January 8, we are bringing back Godly Play!

Advent Giving Tree Service Project 2019

Thank you to the congregation for helping make Christmas a little better for 11 families (5 single parents, 6 couples) with their 27 children. Crow Wing County and the Salvation Army had over 800 families to help make some Christmas possible. Each family received a \$20 Cub Food card whether the family was a single parent with 1 child or a two-parent family with 4 kids. Also, each child got to pick one toy out of the donated toy pile. A gift bag put together for that family by various churches or organizations. In our case, those 11 families picked up the bag we put together for them. One of the changes this year for us was to give a Fleet Farm card rather than the Holiday gas station cards. A Fleet Farm card can be used for gas, or to help pay for car parts, tires or anything else that Fleet Farm sells. If members of each congregation that helps with this service project spent approximately \$50 on each person, that would be a total of \$2,100. This is truly GOD'S work with many hands!

Being a Faithful Steward

As stewards, we demonstrate our faithfulness by how we manage the resources and gifts God entrusts to us. "Now it is required that those who have been given a trust must prove faithful" (1 Corinthians 4:2). We are to "always give [ourselves] fully to the work of the Lord because [we] know that our labor in the Lord is not in vain" (1 Corinthians 15:58). Our effort is invested in the Lord's winning cause.

Peter wrote, "Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms" (1 Peter 4:10). Through faith, we serve others by showing our love (3 John 5-6), by witnessing for Christ (Acts 1:8), by sharing with those in need (2 Corinthians 9:7-8), and by doing good to all people (Galatians 6:10). God is pleased when we use our time, talents, and treasures in ways that give Him honor and glory through our service for others.

As devoted and committed stewards who seek to do God's will, we receive his special blessings. The Lord will "bring to light what is hidden in darkness and will expose the motives of men's hearts. At that time each will receive his praise from God" (1 Corinthians 4:5). In 1 Samuel 26:23 we read, "The Lord rewards every man for his righteousness and faithfulness." We look forward

to the Lord telling us, "Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!" (Matthew 25:23).

Until the Lord takes us to our eternal home, we are to be active and involved stewards faithfully seeking to please him. We can be faithful because he abounds "in love and faithfulness" (Psalm 86:15) to us. We press on as faithful stewards knowing that "He will not forget [our] work and the love [we] have shown him . . ." (Hebrews 6:10).

"My mother drew a distinction between achievement and success. She said that achievement is the knowledge that

you have studied and worked hard and done the best that is in you. Success is being praised by others and that's nice too, but not as important or satisfying. Always aim for achievement and forget about success."
