## June 2021

### MEMORIAL DAY SUNDAY SERVICE MAY 30, 2021

The annual Crosslake Lutheran Memorial Weekend services will be held Sunday, May 30th. A more traditional worship service will be held at 8:30 am in the sanctuary. The 10 am Outdoor Worship will feature a larger 'community-wide' Memorial Weekend observance.

This year's speaker will be Cpt. Gail Smith ASAR- Army Nurse Corps on the 30<sup>th</sup> anniversary of Desert Storm. Captain Smith was a member of the 311<sup>th</sup> Evacuation Hospital, which deployed to the Middle East during Desert Storm and served for 4 months in the United Arab Emirates. She served as the chief training officer for the medical unit and for the UAE joint medical team. During her 14 years as a reservist with the Army Nurse Corps she also served at Brooks Army and Walter Reed Medical Centers in the ICU. She was awarded an Army Commendation medal for her service in the Gulf war and a special award from the UAE Royal Guard for her work in training. She is a member of Crosslake-Fifty Lakes American Legion Post 500. In her civilian life, she has enjoyed a 47 year career in ER and ICU currently working at the Minneapolis Heart Institute in Baxter MN. Gail also serves as our Parish Nurse here at Crosslake Lutheran and leads activities for the Health Ministry team. She and her husband Larry (also a Veteran) live in Crosslake.

The outdoor service will feature the National Anthem sung by John Carlson, a contingent of the Crosslake- Fifty Lakes American Legion Color guard firing an honorary salute to the dead, and an aerial fly-over by the North Star Squadron (a group of four fixed wing aircraft flown by experienced pilots who participate in air shows throughout the Midwest). Veterans from World War II to the present will be honored.

## PASTORS' PAGES

June Greetings!

*"Praise the One who breaks the darkness with a liberating light."*

We sang these words in our sanctuary, not long ago, and they brought tears to my eyes. This happens to be one of my favorite hymns anyway. But when we planned this hymn, we had no idea it would be one of the first hymns our congregation would really be able to sing out together after many months of softly singing, humming, or just listening as we needed to do. It was the perfect hymn because of both the words and melody for the situation (thanks, Holy Spirit!). It wasn't a "barn burner" like A Mighty Fortress or Lift High the Cross. With all of us at varying levels of comfort, as we adjust to lifted restrictions, I'm not sure we are ready to belt out those sort of celebration hymns at the top of our lungs yet! That time will come, but it's not quite here for everyone yet. On that Sunday of singing, we had a gentle, beautiful melody that reminded us of God's promise for the world. Many are starting to go about the daily rhythms of life again and we praise God for that! And we keep praying for that healing, wholeness, and liberation for the rest of the world as well.

As we move forward in our congregational life together, we hope you received the congregational letter and email with all the details of ministries resuming. We will strive to maintain a culture where varying comfort levels with distance and touch are respected and accommodated. We'll also strive to maintain hybrid components to our ministries as appropriate. We hope to have live streaming of our Indoor worship service soon! A huge thank you to the Smart team (Lori Nelson, Brian Boyda, Gail Smith, Pr. Kurt, Pr. Kristin) for their diligent work over these months with all the details and recommendations along the way. We look forward now to a summer of being together face to face as a community carrying out God's mission in our community and the world!

Let's have the last stanza of Praise the One who Breaks the Darkness as our prayer together:

*"Praise the one true love incarnate: Christ, who suffered in our place; Jesus died and rose for many that we may know God by grace. Let us sing for joy and gladness, seeing what our God has done. Praise the one redeeming glory; praise the One who makes us one." Amen.*

Pr. Kristin

As I write this, we are preparing for our schedule to switch, outdoor worship to happen, Pentecost to be celebrated, and our high school seniors to be recognized. **It is busy!** I had the privilege of a sneak peek at the messages of our senior speakers, Cole Trottier, Mikaela Jones, and Ethan Johnson. The messages they will share are really deep and reflective and all three of our young adults speak about transformation without directly mentioning the word. Their stories represent so many of our youth as they speak about a developing faith, developing notion of who God is, a developing awareness of who they are in the world, and a developing awareness of their purpose in it. **It is good. So...It is busy and good.** All three of the youth and many others speak of the significant impact of small group ministries, five to seven youth sharing highs, lows, scripture, and discussion inside a trusted atmosphere with a trusted adult. This was a step we undertook with youth ministry in the fall of 2018. There have been many since then. Ministry that has traction seems to **always be evolving. So it is busy and good and evolving.**

The latest busy, good, and evolving piece is Crosslake Lutheran's representation in Northeastern Minnesota Synod's LYO. I am so pleased to tell you that **Brittany Joyce**, a 2021-22 Senior, and **Karen Senst**, one of our small group leaders, as well as a council member, have stepped up to become **members of a new Pilot Program** of our synod's LYO (Lutheran Youth Organization).

Here are a few words about the initiative from the Synod's Website. *"Over the last two decades, the LYO has built a culture of youth/adult ministry that cultivates deep and trusting relationships, builds community, nurtures faith, and sends youth out to serve the church and world. It's now time to expand the LYO to engage congregations to do the same!"*

*Now more than ever our world needs leaders who can step into the loneliness, grief, anxiety, and stress youth and adults are experiencing to bring the hope and love of Christ. The new LYO Leadership Initiative invites youth and adults (AKA, Brittany, Karen, and Pastor Kurt) from a congregation/area to apply as a Congregation Team to be trained in Peer Ministry Leadership skills. Those teams will then bring their training back to their congregations where they will lead Peer Ministry Leadership with their middle school and/or high school youth and adult leaders. Congregation Teams will receive support and coaching through the process."*

Please keep Karen and Brittany in your prayers as they head off the Camp Hiawatha for Training Camp, June 16-18<sup>th</sup>. Look for more updates from them and other ministry coming over the summer months.

**What a loving and equipping God we have that would give us this many good, busy, and evolving joys.**

In Christ,

Pastor Kurt

## PANDEMIC PASTIMES

How did you use your extra “down time” during the past year?

Did you have a project? Did you finish something that had been unfinished for years? Did you learn a new hobby?

In June of 2019, we celebrated “This Is Our Father’s World” with an inaugural Art Exhibit in the Fellowship Hall. Following that congregational exhibit, several individuals have also displayed their work. Currently, the Rosemaling of Mary Hardwick is featured.

In September, let’s create another congregation-wide exhibit of our “pandemic projects.” If you have art work, craft project, or an item you’d like to share, contact Patricia Lundeen, Music Ministry Director. Photos of your project or a written description may also be included if it isn’t physically possible to display your item.

We have a creative God, and we know we have a creative congregation! Get ready to share your pandemic project in the fall!

# HEALTH MINISTRY

Happy summer, or at least it feels that way. It is so good to see people during worship and find ways to re-connect as COVID-19 rates decline. If you have questions about where to receive a vaccine, please reach out to your provider or I can assist you in finding resources. It is very encouraging to hear that for folks who are vaccinated, the risk of contracting COVID is very small and for those who do become infected, the course of the disease is very mild for most. I am excited to start some programs that have been placed on hold such as food delivery and home communion.

One thing you can do is to keep your immune system healthy through simple things such as regular workouts and eating right to avoid obesity. The COVID-19 pounds is a reality for many and it increases risk for not only COVID infection but also a host of other issues such as diabetes and heart disease. If you need ideas about how to lose weight, please see Crow Wing Energized website to sign up for ongoing classes that are on ZOOM so they can be attended in the comfort of your own home and location in the country. If you have questions as to how to sign up for these classes, please contact me.

I am looking forward to planning classes that have been on hold for the past year. Look for information about Final Gift, Befriender course, Meditation and Flying Solo repeat in the next months as we get back to the business of keeping people informed and healthy. If there are other needs such as CPR or other classes that you would like to see held, please contact me as well. I know that summer is busy, but the work of the church needs to continue—so consider ways that you can get involved. Thank you to all who have been involved in planning for the Memorial Day observance; I appreciate you all so much, especially John Repp, Barb Hanson and Herb Nelson who have done so much behind the scenes to make the observance special for so many.

If you know of someone who is needing assistance in meeting health care needs or just basic daily cares, please encourage them to reach out to me, I have many resources that can be accessed or at least know where to call. Without time away from each other, it has been difficult to know who is needing the help. I am just a phone call away.

Blessings, Gail Smith RN, Parish Nurse

## THANK YOU'S

**Dear Crosslake Lutheran Church family:** *“Thank you so much for everything that you did during the time of Dick’s illness and death. All the cards, prayers, food, kind words, visits and help we received meant so much. You are such a caring and loving congregation and we so appreciated all of your support.”* - JoAnn Maas and family

*“Thank you for your continuous support and generosity with your donations to the Crosslake Food Shelf.”* - Doris Mezzenga

Greetings,

All women are welcome to our June general meeting which will be held on Thursday, June 10, 1:00 pm in the Fellowship Hall. The program will be given by Carla White from the Loon Center. [Please join us!](#)

Please mark your calendars for our next WELCA board meeting on Monday, June 7, in the Fellowship Hall at Noon.

**WE NEED YOUR HELP** - WELCA has openings available on the Board and Funeral Committee. Please pray for God's guidance. Do you feel blessed to participate in any of these capacities? If you have questions please contact Paulette Wilske or Judy Tender.

The ELCA offers prayer on Tuesdays at noon. They have created a simple form to follow: reflect on God's word, offer prayers, and reflect on your self-care and the care of others. Go to [welca.org](http://welca.org) to download the prayer sheet.

WELCA's Blog offers an article about Christian women tending to our souls by:

- communicating regularly with God, the Creator, in prayer,
- living in community with other Christians,
- regularly worshipping God,
- immersing ourselves in God's Word,
- spending time in God's good creation, and
- recharging our soul through quiet contemplation and meditation.

An announcement will be made in our July Newsletter regarding how our virtual participation in the 11<sup>th</sup> Triennial Convention and Gathering will be held on August 3-5, 2021 at Crosslake Lutheran Church.

Heavenly Father, thank you for your love and guidance. Please help us to seek you every day in every way, in Jesus' precious name.

Peace in Christ.

Kathy Bahma, WELCA Co-Chair

## SHARING BREAD SOUP KITCHEN

Crosslake Lutheran has been involved with preparing and serving the meals at the Sharing Bread Soup Kitchen in Brainerd since 2011. The kitchen is open every day and is possible due to the many groups and organizations that commit to a schedule. Crosslake Lutheran serves a meal on the second Sunday of each month from 1:00-1:30pm. Due to Covid, serving had been cut down to a couple times a week and a handful of volunteers were implementing the process. Currently, they have changed back to serving everyday, but all meals are to-go so there is no in house dining for the foreseeable future. If you are interested in preparing, packaging and serving the food on the second Sunday of the month please contact Lori Nelson 651-246-7292 or email at [lorinelson@brainerd.net](mailto:lorinelson@brainerd.net). Being the church is not fully opened, I'll have sign up by email. So to get on the email list please contact me. Looking for 4-6 people on the Sunday CLC has committed to serve. THANK YOU!
