ADDRESS SERVICE REQUESTED

## MEMORIAL DAY SUNDAY SERVICE MAY 29, 2022

The annual Crosslake Lutheran Memorial Weekend services will be held Sunday, May 29th. A more traditional worship service will be held at 8:30 am in the sanctuary. The 10 am Outdoor Worship will feature a larger 'community-wide' Memorial Weekend observance.

This year's speaker will be Melony Butler, the Chair and Director of the Eagles Healing Nest which is located in Sauk Centre, Minnesota. The Eagles Healing Nest is a non-profit organization committed to meeting the needs of veterans who suffer from the invisible wounds of war. The organizational vision includes "that those who served our military not to live in darkness but to bring them into the light to soar and fly free. To help restore the honor, dignity, pride and purpose each deserves."

The outdoor service will feature the National Anthem sung by John Carlson, a contingent of the Crosslake-Fifty Lakes American Legion Color guard firing an honorary salute to the dead, and an aerial fly-over (weather permitting) by the North Star Squadron (a group of four fixed wing aircraft flown by experienced pilots who participate in air shows throughout the Midwest). Veterans from World War II to the present will be honored.

## PASTORS' PAGES

*"Sing out, Earth and Skies, Sing of the God who loves you!  
Raise your joyful cries, dance to the life around you!"*

We'll be singing that heartfelt refrain a lot this summer! It's the chorus to our Summer theme song at the Outdoor service, and it's the Gospel Acclamation at our Indoor service. My heart is full as summer begins and our ministry rhythms are back in full swing! There is so very much about which to be grateful and give thanks to God!

Here are some highlights on my gratitude list for June:

- The return of our snowbirds!
- We have 16 kids in 5<sup>th</sup> through 8<sup>th</sup> grade signed up for our Summer Stretch program taking place with other ELCA Brainerd Lakes area churches on Thursdays through the middle of July. Kids will be learning, serving, and playing together as their faith grows, too! We are so thrilled to be a part of that ministry this year!
- A new colorful Kid's Korner Pavilion constructed at the Outdoor service with a concrete floor and colorful metal roof! We especially thank Kitty Daniels and Deniece Young for coordinating the adult helpers of Kid's Korner for children's crafts each Sunday. And thank you to Lori Nelson for putting all the crafts together!
- The opportunities as we look for a Children's Ministry Coordinator to come on board to coordinate ministry this fall.
- Looking forward to Vacation Bible School July 18-22.
- Diners' Group starting up again!
- A re-designed church website that's more user friendly.
- New concrete slabs at the Outdoor service to make entrance to the bathrooms and the Outdoor shelter more accessible.

I am also grateful for Pr. Ryan's help along with many offering help during this time of transition. Let's enjoy these beautiful Summer days and God's glorious creation together, as we serve God and our neighbors!

In Christ,  
Pr. Kristin

## **PASTOR RYAN**

It's June! Thank you for a wonderful welcome. It's been a great start. As you know, I love to have fun.

But speaking to a problem I am experiencing, one problem I have as I get older is that I am more forgetful. Especially as I try to remember names. The reason I point this out is that I used to be so good at it. I had many mnemonic aids. But now I have even forgotten some of my mnemonic aids, uffda. But to be serious, please forgive me if I forget your name. Each of you is so important, and I promise to try very hard to remember.

Thanks also for the feedback on the rocking chair. It will remain a vital part of my "inside the church" sermons as we share some fireside chats beside the invisible Bar-B grille. And no, I will not be carrying it up north to the outside service. I'll just rely on my dulcet tenor tones to preach God's word.

As I hang around the coffee urn I invite you to come and talk. I love to talk about anything: Twins, Vikings, Norwegian heritage, deep theological questions (I've got friends who have a lot of answers), or just say HI. As a caring and loving kind of person I look forward to spending time with you.

God's peace be with you as we continue having fun (even in the church),

Pastor Ryan

## **Transition Time Update**

At the April Council meeting, the council appointed a very short-term transition team to meet, review our Ministry Site Profile from 2019, and make recommendations for a path forward for our congregation. This team made up of Bob Bahma (Personnel), Jeff Benson (President), Rocky Chapin (Council), Karen Christofferson (Personnel), Paul Tender (Treasurer), and Pr. Kristin recommended that we move forward with forming a Call Committee to look for a Minister of Word and Sacrament (Pastor) or a Minister of Service (Deacon) for General Ministry with a preferred emphasis in young families. They also recommended that for the transition time we look for a Coordinator of Children's Ministry, and then eventually see how that position may or may not work with the person we call.

We are aware that there are many variabilities to whom may be available to serve and how, their experience level, etc. This affects their suitability in various ways including our budgetary needs; with that in mind, what we simply need to do is get our paperwork done to see who might feel called to serve our congregation. Therefore, at the May Council meeting, the council proceeded forward with these recommendations and is in the process of appointing a Call Committee of 7 people per the church constitution. The Call Committee will refine our 2019 Ministry Site Profile and hopes to have it submitted to the council, then the synod, later this summer. It's important to have a Call Committee with a nice representation of gender and age, including a youth. If you are interested in serving on the Call Committee, please let a council person know!

## JOB OPPORTUNITY

In this time of transition, we are looking for a . . . **Children's Ministry Coordinator**

To work in collaboration with Pastor Kristin and Staff (Youth Director, Music Ministry Director, etc.) to plan, recruit, and equip helpers to implement:

- Growing Kids (Wednesday Night Sunday School) K-4th grade, starts again in September, most Wednesdays 6:15pm to 7pm, generally follows the school calendar
- After School Program 5th-6th grade, starts in September, most Wednesdays, 3:45-5:30pm
- Religious Release (approx.) 10 Wednesdays in Nov, Dec, Jan, K-4th graders bussed from Eagleview to church 1:15-2:25pm for Bible story, music, crafts, games
- Vacation Bible School (July 2023)
- Kids Korner (Summer 2023)

While there would not be "regular" hours, this job would be paid as if it were 10 hours a week.

If you are interested, please contact Pr. Kristin by June 15. There's possibilities of sharing this position as well!

## VACATION BIBLE SCHOOL

VBS will be held July 18-21st at the Outdoor Worship site for children completed K-6th grade. Watch for more information and registration materials coming soon!

Every girl. Everywhere. Period.

Days for Girls (DfG) summer workshops at Crosslake Lutheran Church:

June 14, July 12, August 9 and September 13. All workshops are from 9am to noon. Join us to sew, iron, cut or pin fabric together to make supplies for DfG menstrual solution kits. Bring your sewing machine if you would like to sew. There are many non-sewing tasks. Supplies are provided.

Our June 14 workshop is a Thrivent sponsored event by Virgene Johnson. Thank you, Virgene! This is a \$250 grant from Thrivent for supplies. Free t-shirts are available while supply lasts.

DfG provides reusable menstrual solutions to women and girls mostly in impoverished countries so they can stay at work and in school every month when they have their periods. DfG has reached more than two million women and girls in 145+ countries with DfG kits and education about menstrual solutions, reproductive health and value as women.

We support Midwives for Haiti in addition to sending kit components to DfG distribution centers so they can quickly answer calls for help. DfG International recently sent over 30,000 kits to assist the Ukraine refugees.

Please join us for fun workshops. If you have any questions, please contact Sue Carlson at [sueandbrianc@hotmail.com](mailto:sueandbrianc@hotmail.com) or 952-356-7516.

## WILD ONES

So, just who are the “Wild Ones”? Our group began as part of our church’s diner groups. Groups were primarily couples, and some of the members were interested in being in a group geared more toward singles. We had singles who had lost a spouse or significant other, by death or divorce, or those who were single for other reasons, and it worked for us.

Our health ministry program, “Flying Solo”, is a hopeful and thought-provoking experience for those who have had a loss – death of a spouse, divorce, job loss, and other life changing events. As this group was beginning, our parish nurse, Gail Smith, asked if she could tell the attendees about our group. It has taken our group to another level as people from outside our congregation join us. Also, word of mouth has increased our numbers. Our Crosslake Lutheran Church Singles’ Group has evolved. We have original members from our diners’ group, as well as new members who have joined our group, taking the step to meet new friends and to build our support systems. We need each other, simply put.

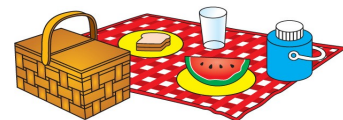

We meet monthly, gathering at a restaurant to share a meal and a chance to visit. We have been known to stretch our lunch out to 2 hours, we enjoy each other’s company so much! You will find kindness and acceptance in our group, and the time together will enrich your life. We celebrate with you as God works through us, around us, always by our side. We are thankful for the opportunity to find healing, peace, and comfort going through the most tragic experience of our lives. In our group many have lost a spouse through death, some many years ago and too many in these Covid years and the isolation that kept us home.

To learn more about our “Wild Ones” group or to join us contact me by phone or text at (218) 537-0728 or email [kittydaniels3@gmail.com](mailto:kittydaniels3@gmail.com) or see me at church. - Kitty Daniels

## DINERS GROUP

We will be having a Potluck on Thursday, June 16th at 5 pm at the Outdoor Worship site.

Everyone is welcome! Pack your picnic basket with everything you will need for a picnic (plates, silverware, etc.). Plus a dish to pass. Please bring your own beverage and chairs. BYOE! (bring your own everything!) Questions, please call Leanne Ommen 218-820-2141 after June 1st. If inclement weather, we will gather in the Fellowship Hall.

## HEALTH MINISTRY

Blessings to all - thank you to so many working to make the Memorial Day Service a success. A special thank you to the Outdoor service team who show up every Sunday rain or shine (or even freezing cold)! **For those of you looking for a way to be part of service as a member of our faith community, please consider signing up for the Outdoor service work group or so many other ways that are available for you to put faith into action.** It is also a great way to connect with

so many special folks who can become your next best friend especially for those who are transplants to the Crosslake area. **The Wild Ones are also another way to connect** especially for those who do not have a spouse; check with Kitty Daniels if you have questions or interest in that group. In a recent "Flying Solo" class, the most common thing that folks mentioned was the hardest is to attend church since it is a reminder of their loss. It is my hope that you can find community and connection through being part of the many service teams that meet regularly. One way that you can consider is to be part of our Befriender team with a new Befriender session to occur in mid-June. Through discernment, it is important to find ways to live out your calling in the world but for many, it is something that is given little thought. How does the Spirit speak to you in sometimes subtle ways that your life has a purpose and that there are ways to live out that purpose every day?

**Thank you to the folks who have served through our Angel Food ministry this month.** A special thanks goes out to Connie Caspers for her wonderful and tasty dishes as part of the program. If you are in need of short-term food support, please contact the church office. We will doing some group cooking in early June so watch for that in the church bulletin. Thank you also for those who took the time to attend the Final Gift workshop. I hope that each of you has completed an Advanced Directive and has it on file with your medical provider. The document only goes into effect if you cannot speak for yourself which includes serious medical issues but should also include if you are unable to make competent decisions because of dementia. I am so blessed that my father completed his directive while he was able to express his wishes to not only me, but also his health provider, which made it easier for our family to provide for my father's end-of-life care in a way that we knew respected his wishes. If you have questions or concerns about filling out the forms, I am always available to meet with you individually.

**May was Mental Health Awareness month.** Studies show that there is a significant increase in anxiety, depression and social isolation as a result of many factors in our society including ongoing COVID concerns. While it is human to focus on our concerns and at times be weighed down by those worries, it is important to find ways that bring peace of mind and happiness. If you need to find mental health resources, please see me for ideas of what might be helpful. There are many online resources through you tube and other online platforms that can connect you to groups or programs that may be helpful. I hope that you will reach out if you need ideas. I hope to bring a class on healing through sound sometime this summer which is another way to generate feelings of well-being. If you have ideas of what may be helpful or interesting , please see me.

Blessings, Gail Smith RN, Parish Nurse

# WOMEN OF CROSSLAKE LUTHERAN CHURCH

Greetings,

We thank our May presenter Alden Hardwick for sharing his interesting and informative talk on “Unexplored Territory : Nearby Vacations You Never Thought To Take. Quick Day Trips For Fun”. We had 41 people in attendance. Another thank you goes to Dave Nordgren for faithfully providing technical expertise during our presentations. We appreciate you.

Our delicious refreshments were kindly provided by Mary Neer and Jaci Peterson. Thank you ladies!

No one has called to host an event for June. Please recall that we will have no meetings during the months of June or July.

We are seeking nominations for a Secretary position to record Women of Crosslake Lutheran activities and a Treasurer position which has recently become available. These positions will start September 2022 and will work together during any meetings to be held. Meetings will be determined by the CLLC body of women.

It has been my pleasure to serve you during my tenure as Co-Chair. Thank you all for your support.

Heavenly Father God, you are our daily guide. Although we will live imperfectly, our focus is to be on obeying your will and pleasing you, God. Let’s commit to becoming more like Jesus, the One who willingly gave Himself as a sacrifice for us. Amen.

Yours in Christ,  
Kathy Bahma, Co-Chair  
763-238-0769

## THANK YOU

*MANY THANKS to all who donated coats to our Palm Sunday coat drive! Your response was amazing—almost 200 coats will be donated to those in need.*

*THANKS to our WOODWORKERS Mike Ridgley, Sam Shirey and Roy Silcox, and WOODCARVER Bruce Shostak, for sharing their artistry in our spring art exhibit. We have a talented congregation!*

## CAMP KNUTSON WORK MORNING

On Friday, June 10, the men of Crosslake Lutheran will gather at Camp Knutson to perform light maintenance work. We will meet at the maintenance shop at 8:30 AM. We will continue to meet on the second Friday of the month. Please join us for a fun morning! Questions, contact Jeff Benson 612-598-1852.

## **Covid Update as of May 19, 2022**

**Unfortunately, as of May 19, the CDC data for Crow Wing county has shown an uptick in Covid cases with our community level changing from low to medium.** We want to keep you informed as we have all along following CDC data and recommendations. We'll use their most recent website tool: <https://www.cdc.gov/coronavirus/2019-ncov/your-health/covid-by-county.html>

This website helps communities decide what prevention steps to take based on the latest data. Levels can be low, medium, or high and are determined by looking at hospital beds being used, hospital admissions, and the total number of new COVID-19 cases in an area. New levels are calculated and updated each Thursday.

We will post the recommendations for each level as they are below along with the most recent level (low, med, high) on the doors to the church each Thursday and it will remain there for the week so you can make the most informed decision for yourself and your own risk level at any church function indoors.

### **Low Level Recommendations**

Stay up to date with COVID-19 vaccines. Get tested if you have symptoms. Wear a mask if you have symptoms, a positive test, or exposure to someone with COVID-19. Wear a mask on public transportation. You may choose to wear a mask at any time as an additional precaution to protect yourself and others.

### **Medium Level Recommendations – Crow Wing County level as of May 19, 2022**

Stay up to date with COVID-19 vaccines. Get tested if you have symptoms. Wear a mask if you have symptoms, a positive test, or exposure to someone with COVID-19. Wear a mask on public transportation. You may choose to wear a mask at any time as an additional precaution to protect yourself and others. If you are at high risk for severe illness, consider wearing a mask indoors in public and taking additional precautions.

### **High Level Recommendations**

Wear a mask indoors in public and on public transportation. Stay up to date with COVID-19 vaccines. Get tested if you have symptoms. If you are at high risk for severe illness, consider taking additional precautions.
