PASTORS' PAGES

August Greetings!

As he walked along the shore, as he wandered by the sea, he saw two brothers casting nets, and he hollered follow me. And then going on from there, 'long the shores of Galilee, he saw two brothers mending nets, and he told them follow me. "Follow me, Peter. Follow me, Andrew. Follow me, James and John. Follow me, Follow me," that's what he said. They continued on.

Jesus' words above are found in one of the songs in the musical that the choir is performing this August entitled "He Lived the Good Life." It's the story of Jesus' life set to lively music! And trust me, once you hear this music, it lives in your heart and soul, because it has stuck with me, since I remember hearing this song as a kid! My parents, who were in the choir at our church sang songs from this musical. We had the record, and we must have listened to it a lot because this portion of the song I quoted about Jesus calling the disciples has stuck with me for quite a few years now! I can't wait to hear our Crosslake Lutheran choir sing this song and perform the entire musical on Wednesday, August 24 at 7pm in the sanctuary and on Sunday, August 28 for our Outdoor worship service. We are grateful for all their hard work and the efforts of so many who will make another musical possible this year. What a great tradition and gift to the whole community now with livestreaming capabilities!

Another exciting accomplishment is that our Ministry Site Profile (MSP) has been submitted to the Northeastern MN Synod. Our Call Committee worked diligently to edit the profile we had from 2019, and the council approved it at our July Council meeting. This means that we are closer now to calling an associate pastor or deacon. Since the MSP has been submitted to the synod, we can soon expect to start receiving candidates to consider interviewing.

We continue to be grateful to have Pr. Ryan's help during this transition period. For Bible Study in August, Pr. Ryan will be leading a three-part series the first three Wednesdays of August at 10AM. You can read the details of the study on the inside of the newsletter. The rest of the Wednesdays in August, we will take a break from Bible Study until we start up again in September after the school year begins again!

Speaking of transitions, we also regretfully accepted the resignation of Pat Netko, our youth director, who's last official day was July 31st, due to unforeseen circumstances at her store. You can read her note inside the newsletter if you didn't receive the email that was sent several weeks ago. We are grateful for Pat's 20 plus years of ministry at Crosslake Lutheran and are planning a reception to honor her in September. Stay tuned for details.

We ask that you continue to keep our congregation in prayer through these times of transition, and when you hear of a ministry opportunity please, jump in and do it! As Jesus calls, "Follow me" we are empowered to say "Sure, I'll try that," to an opportunity in serving even when we're not exactly sure if we will be good at it or like it! That's okay, we can try it, and if it's not for us, then we try something else! We all work together to do God's Work! Our Hands!

In ministry together with you—
Pr. Kristin

A NOTE FROM PASTOR RYAN

Once again I wish to thank you for the opportunity to help our family here at Crosslake as a fellow servant of Christ. As a young person I wasn't always so willing to help serve my family on the farm. (Imagine that).

In fact, more than once in my sassy way I answered the request to help in some manner by saying, "Not now, I have people to see and places to go." As if no one else in my family had a life outside our home. Although, in this disrespectful way I did show that I realized that there were other people in our community, and places outside my home. This was important to learn. As a little one everything revolves around the family, but as we grow we see the importance of others. Even though this "eureka" moment in no way is an excusable thing to say to parents, it does show that we do eventually grow up. There are indeed people to learn about and places to study and see.

Our Bible Studies do a great job in highlighting the heroes and heroines of Scripture. We spend a lot of time on people. But sometimes we neglect how certain places need to be understood so that we can fully realize why they have such a great impact on the life of Christ, and how the Judeo-Christian and Islamic faiths turned out the way they did.

Please take a look at the article on our August Bible Studies. Set aside an hour for study on Wednesday mornings from 10-11AM and learn more about these **"Places People Need To Find."**

These positions will start September 2022 and will work together during any meetings to be held. Meetings will be determined by the CLLC body of women.

If any one is interested in bringing desserts please let me know.

Also, if the WELCA ladies would like to continue sending out prayer cards and funeral cards to our church members, that position is available.

(No Bible Study on August 24 or 31)

“Places People Need To Find”

Get out your old map. Bring your Google Map. Or just trust the printed map available our class!

We are going on a journey without ever leaving the Fellowship Hall. Take time to study important places of the Old Testament, the New Testament, and places "outside the Scriptures" which had a great impact in what we believe. We will, of course, stop and visit some of the important places of Jesus' life. Just like saying, "George Washington slept here," we will stop and say "Jesus walked here."

Several weeks ago Pastor Kristin highlighted a passage in Luke, Luke 9:51 which reads, "When the days drew near for him to be taken up, he set his face to go to Jerusalem." This key verse acts as a fulcrum that changes the direction of Jesus' ministry and the cross becomes the true focus for the Son of God.

Yes, places are important!

Bethlehem, Nazareth, Jerusalem are givens. But what about Shiloh, Tyre and Sidon, or Gilgal. The Sea of Galilee, the Dead Sea, Egypt and other places.

Yes, places are important, and so are you. Pictures of places which you have visited in the Holy Land would be appreciated. Come aboard and see the places in the Bible people need to know and study.

YOUTH MISSION TRIP JOURNEY TO PANAMA CITY, FL

Copies of the reflections from our youth and adult leaders who journeyed to Panama City, FL on their recent mission trip June 18-26th can be picked up in the church office.. Hear their words of what they experienced and what impact this trip had on their lives!

THANK YOU

Thank you to all who helped make Vacation Bible School a success! This includes helpers who took a shift at the Outdoor Worship to assist the Luther Crest Counselors, those who provided lunches or evening meals for the counselors, those who called the kids and the helpers to fill them in on information for the week and a special thank you to Paula Buresh for hosting the counselors in her home for the week. You are very much appreciated and it all came together to give the kids a wonderful week of learning about God's love!

Thank you for all the cards, kind words, and hugs after the death of my Mom. Your thoughtfulness and caring meant so much and has made this difficult time a little bit easier. Much love, Brenda LaRock

HEALTH MINISTRY

Blessings and prayers that all is well with you and yours. The summer is zipping by and I can hardly believe that school shopping and winter clothes are already out in some of the stores. It helps reinforce my belief that our world really encourages not being in the moment and looking ahead to what could or you want to happen. As I look ahead to this fall in terms of planning, some things are going to change which is out of my control. “Heart and Soul” is something that we have hosted for the past 10 years with our partnership with Minneapolis

Heart. This year, Dr Fenstad is not available to present so we will not our usual evening for women’s heart health, which is disappointing, but a change that we must just roll with. Another change is that I have heard from our flu shot vendor that they have discontinued their program to provide Flu Shot Clinics in the state (Hennepin county budget cuts wiped out the department responsible for the program). So unless I can find another source for the vaccine, we will not be hosting our usual clinic in October. Another change to just roll with but vaccines are readily available at local clinics, pharmacies etc. so that should not be a barrier for anyone who attended previous clinics (theirs will not include fresh cookies, music and special band aides for some of you :). Change is something that often we cannot control but seek new ways to cope, understand and find new ways to do the thing that needs to be done. Our faith can provide comfort and direction in that all that we need will be available at the perfect time according to God’s plan for us and the world at large.

One of the roles I have as a parish nurse is to help people transition to other living situations as they experience a decline in their ability to care for themselves or others. All too often I see that people do not always think proactively about what the next steps are in terms of when it is time to move from independent living to one that has the help that they need. There are ways to stay in your own home as long as physically possible, but finding those helping resources can often be complicated or involve many steps. Please reach out to me or your health care provider for referrals before “the wheels come off the wagon” if you are looking for those resources or just need someone to help you know about options available.

I am excited that “Matter of Balance” classes will start up again in September. There has been a shortage of instructors but so glad that we will again host the 8-week class that works to prevent falls which are one of the leading causes of injury and death as we age. Signups for the class will be available soon, so please watch the bulletin for information.

The new 988 mental health crisis line is now up and running which will provide a direct line to mental health resources including over 200 local crisis call centers around the country. This line replaces the national suicide hotline which included a regular phone number that was hard to remember. If you are in need of mental health help there is also a new mental health support group at the Cuyuna Regional Medical Center which meets either from 2-3:30pm or 6:30-8pm on the last Monday of each month at the hospital. It is free, non-denominational and supportive with an emphasis on building skills to cope with life’s challenges. Please see the CRMC website for more information.

The Diabetes Prevention class information is also included in the newsletter this month that will be again run by Becky Kalton. What a better way to find a healthier way to eat and have a positive relationship with our bodies and food.

Gail Smith RN, Parish Nurse

Lifestyle CHANGE Class Offerings

Learn how to create a healthier lifestyle and prevent diabetes in a 22 session diabetes prevention program. Groups meet with a trained instructor to help participants lose weight, eat healthier and increase physical activity. There are 16 sessions offered over 6 months, and 6 monthly follow-up sessions for the remainder of the year. Each session is one-hour long. The National Diabetes Prevention Program is a community-based, lifestyle change program that offers diabetes prevention education and support for people with pre-diabetes. Pre-diabetes involves blood sugar levels that are higher than normal, but not yet high enough to be diabetes. An individual with pre-diabetes can delay or prevent type 2 diabetes by making simple lifestyle changes. Diet and moderate exercise resulting in a 5 - 7% weight loss (usually about 10 - 15 pounds) often work to bring blood sugar levels back down to a healthy range. There is no fee for this class (\$429 value).

STAFF UPDATE

Dear Crosslake Lutheran Congregation,

It is with sincere regret that I must resign my position as Youth Director of Crosslake Lutheran. Due to a major staff change at my store, I must focus my attention there. This was unforeseen, and I realize the timing is not ideal. It has been an honor and a privilege to walk alongside our youth and families in this ministry and to grow in faith together. July 31st will be my last 'official day' but I will still be around, and enjoy being a member of our wonderful congregation. God is Good! All the time!

Respectfully,
Pat Netko

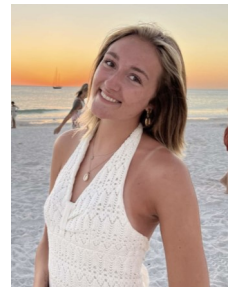

CHILDREN'S MINISTRY COORDINATOR

We are so glad that during this time of transition, Macie Lohmiller has said "yes" to serving as our Children's Ministry Coordinator (programming for youth sixth grade and younger) She will work in collaboration with Pastor Kristin, staff, and our congregation to plan, recruit, and implement:

- *Growing Kids (Wednesday Night Sunday School) K-4th grade, most Wednesdays 6:15pm to 7pm, generally follows the school calendar*
- *After School Youth Ministry 5th-6th grade, most Wednesdays, 3:45-5:30pm, generally follows the school calendar*

Please support this ministry and Macie in this important role however you can! Her position begins August 1st.

I am thrilled to be taking on the position as children's ministry coordinator with support from this wonderful congregation! I have been praying since I graduated high school in 2020 to find a way to become involved in new ways within the church. Outside of this position I am an Esthetician at Infinity Medspa in Baxter as well as a dance instructor at Northwoods Dance in Pequot. Although I like to keep my life busy, I know the lord will continue to provide support and peace amongst this new path!

DAYS FOR GIRLS

DAYS FOR GIRLS *Every girl. Everywhere. Period.*

We only have two workshops left on our summer schedule. Days for Girls (DfG) summer workshops at Crosslake Lutheran Church: August 9 and September 13. All workshops are from 9am to noon.

Join us to sew, iron, cut or pin fabric together to make supplies for DfG menstrual solution kits. Bring your sewing machine if you would like to sew. There are many non-sewing tasks. Supplies are provided.

DfG provides reusable menstrual solutions to women and girls mostly in impoverished countries so they can stay at work and in school every month when they have their periods. DfG has reached more than two million women and girls in 145+ countries with DfG kits and education about menstrual solutions, reproductive health and value as women.

We support Midwives for Haiti in addition to sending kit components to DfG distribution centers so they can quickly answer calls for help. DfG International recently sent over 30,000 kits to assist the Ukraine refugees.

Join us for fun workshops. It all begins with us! If you have any questions, please contact Sue Carlson at sueandbrianc@hotmail.com or 952-356-7516.
