PASTOR'S PAGE

God's Work. Our Hands. Our Hearts.

That's our fall theme! The first part might sound familiar, it's been the wider Evangelical Lutheran Church in America (ELCA) tagline for quite a while now. But, we are adding a phrase to it, to make it our own this fall. We have a lot of HEART at Crosslake Lutheran Church and that comes through in so many ways as we gather, grow, and go together! One special way we will live this theme is asking people to share their own experiences of God from the heart during worship this fall. Please consider and pray about whether you

might want to share a particular experience of God or faith story from your heart in worship and let me know if you do!

God's Work. Our Hands. Our Hearts. is a good theme for us in this time of transition as we continue our search for an associate pastor amid significant change with youth ministry. At the end of August, we'll say a big "thank you" to Pastor Ryan for all his tremendous help during the spring and summer with preaching, teaching, pastoral care, and worship leadership. Of course Pastor Ryan, as a member of our congregation will continue to be around, so please thank him as you are able to do so!

So now, with the beginning of Fall, we welcome and thank another member of our congregation, Karen Zeile, for her willingness to formally step into leadership for us during this time of transition. As a deacon, Karen is called into Word and Service and has tremendous experience in youth ministry. She will be leading Bible Study, Faith Formation, and much of youth programming as we continue with small groups and guides for youth ministry. She will also serve as a resource for Macie Lohmiller, our Children's Youth Coordinator for Growing Kids, since Karen previously served in that role in our church.

In ministry together with you—

Pr. Kristin

PASTORAL CARE

Please contact us if you are hospitalized or if you are in need of a pastoral visit. You can reach Pastor Kristin Oltmann at 952-200-1249.

WELCOME KAREN!

My name is Karen Zeile. I am the mother of three, mother-in-law of three and Oma (grandmother) to 12 grandchildren. In March of this year, my husband of almost 45 years was killed in a motorcycle accident. As I considered my next steps, Pastor Kristin approached me about serving Crosslake Lutheran Church in an interim position from mid-September through the end of the year. Under other circumstances, this would not have been possible but often times God presents you with opportunities that fit your new life circumstances. I decided to see this as a call from God.

In 2006, I was consecrated in the ELCA as a Diaconal Minister. My call within the ELCA has been renamed by the ELCA to Deacon. I served for several years as a mission developer at a new church start-up in north metro Detroit. Before that I served a congregation as a Youth and Family Ministry Director. For a few years, I also served Crosslake Lutheran as Children's Ministry Coordinator. As I plan for the fall, I know God will lead us in exciting and meaningful ways. See you on September 11.

SEPTEMBER BIBLE STUDY

“PARABLES: Stories for Life in God’s World”

Beginning September 14 at 10 am and continuing for 6 weeks, the Wednesday morning adult Bible Study will be studying timeless stories that speak to our faith and how these stories can influence the decisions we make. Jesus used these short and seemingly simple stories to express the heart of the good news he brought. Karen Zeile will be the leader for this class.

There is a participant’s book for those who want it. The book is \$24 and is totally optional. If you want one, please let the office know and we will order one for you.

CAMP KNUTSON OFFERING

On Camp Knutson Sunday, August 14th, we received \$1,670 in special offerings for Camp Knutson. Thank you for your generosity in supporting this special ministry!

DULUTH EAST CHOIR

The Duluth East High School Choir will be singing an “extended” prelude on Sunday, September 18. This is their final visit under the direction of Jerry Upton who will be retiring at the end of the school year. Their tradition has been to spend the weekend at Camp Knutson on a choir retreat, then share their music at Crosslake Lutheran as prelude to our worship. The choir’s last appearance at CLC was September, 2019. Come early to be inspired by these young singers!

DINERS GROUP

We will meet for dinner at 5 pm on Wednesday, September 14th at “Dunmire’s on the Lake” (previously Ivan’s on the Bay). Everyone is welcome! There is a sign up sheet posted on the bulletin board in the hallway. Questions, please call Sue Phillips (651-405-9629).

Thank you for your generosity in providing these kits to people living in disaster areas!

Who do you know that needs a financial blessing? Through YOU our church can be that blessing they could use! SOLAR - A NEW BEGINNING

The Energy Task Force has approached the Crosslake Lutheran Church Council to see if there is interest in a Solar Array being installed on the roof of the church. We believe this was a particularly timely request for two reasons. First, we are all experiencing higher energy costs which in fact are continuing to escalate with the price of natural gas now three times higher than it was just two years ago. Second, our new roof has a fifty-year life which aligns itself well with the life cycle of a Solar Array. The Council responded by asking the Energy Task Force to develop a Feasibility Plan and stipulated that the cost of the Array be fully funded by donors to a Solar Legacy Fund with no money being used from the General Fund Account. The Task Force has agreed to develop a Plan which will include two upcoming Listening Sessions for church members to learn more about a possible project and ask questions. Please stay tuned for more information on this exciting opportunity for the congregation to save on future energy costs while also providing members a way to contribute to a lasting legacy.

“DAYS FOR GIRLS” WORKSHOP

DAYS FOR GIRLS *Every girl. Everywhere. Period.*

We only have one workshop left on our summer schedule, September 13. All workshops are from 9am to noon at Crosslake Lutheran Church. Join us to sew, iron, cut or pin fabric together to make supplies for DfG menstrual solution kits. Bring your sewing machine if you would like to sew. There are many non-sewing tasks. Supplies are provided.

DfG provides reusable menstrual solutions to women and girls mostly in impoverished countries so they can stay at work and in school every month when they have their periods. DfG has reached more than two million women and girls in 145+ countries with DfG kits and education about menstrual solutions, reproductive health and value as women.

We support Midwives for Haiti in addition to sending kit components to DfG distribution centers so they can quickly answer calls for help. DfG International recently sent over 30,000 kits to assist the Ukraine refugees.

.Join us for fun workshops. It all begins with us! If you have any questions, please contact Sue Carlson at sueandbrianc@hotmail.com or 952-356-7516

JUL FEST BAZAAR – SEPT. 24TH

It will soon be time for the 45th Jul Fest Bazaar on September 24th! We would like to invite all of the women of Crosslake Lutheran Church to be a part of this fun event. The signup sheets for the bazaar are on the bulletin board going into the fellowship hall. Please stop and take a look to see if there is a slot that would work for you to come and help us raise monies for our community mission's donation. There are opportunities for you to help on Thurs. & Friday, Sept. 22 & 23, as well as the day of the sale. You may not have been able to come to the workshops but we would love to have you join us to make the event a success, meet some new friends and make the bazaar a success. The money is donated to over 20 groups around the Crosslake area. They will also be making lefse so if you are interested see the signup sheets on the bulletin board.

Bakery Needs - We are asking for bake goods to sell at the bazaar so look up some good recipes you have baked in the past or some new ones you need to try and donate them to the sale. We will be accepting the bake goods on Friday Sept. 23rd. The shoppers "love the pies" (please consider baking one of these) we request that you don't bring cream pies because of the holding time. Cookies, bars, candies (please package in no more than 1 doz. per package), breads, rolls, jams, jellies, pickles, salsas, etc. We love to see your baking goodies!! If your bake goods contain nuts place a tag on it to indicate the contents.

Please come and join the fun!! If you have any questions please call Laurie Ridgley or Linda Gates.

LEFSE BAKING

It's time to work on making lefse again! We will meet in the church kitchen at 8:30 am on the following dates: Aug. 30 and Sept. 6, 13 and 20. The recipe is posted on the hallway bulletin board along with a sign up sheet. Please contact Carolyn Silcox with questions 218-820-9166.

BREAD BAKERS!

Bakers are needed to make Jul Bread for Jul Fest – Recipe and Sign-up on board in hallway, candied fruit and cardamom provided in freezer in first room in Fellowship Hall. Breads can be frozen. Two weeks before, a big bin will be in big freezer for your breads, or you can bring breads in Friday, Sept 23. Please contact Becky Kalton, rrkrrk@brainerd.net or 218-820-8114. I look forward to talking with you! Thank you to the special ladies who made beautiful breads last year! 51 loaves were made, \$306 went towards charities and non-profits – awesome!

JUL FEST GIFT BASKETS

We are looking for "Gift Baskets" for the Jul Fest sale. You may not be able to join us for our workshops on Mondays and this would be a great opportunity to contribute to the charity fundraising. If you, yourself, or you and a few friends want to go together and make up a gift basket to donate to the sale, we have baskets and containers you can use to put your items in. You can pick your own theme, anything goes!! Please use new items. If you have questions, contact Linda Gates by email at gates.lb@hotmail.com or call 507-202-9374. The baskets can be dropped off on Monday AM in the Fellowship Hall or in the church office (please mark them for Jul Fest). Thank You in advance!

The sign features a decorative border of red tulips and green leaves at the top and bottom. The text is centered and reads: "Jul Fest" in a large, black, serif font; "Saturday, Sept. 24, 2022" in a smaller, black, sans-serif font; "8:30 am - 2 pm" in a black, sans-serif font; "Crosslake Lutheran Church" in a black, sans-serif font; "crafts" and "lefse" in a black, sans-serif font, flanking a central illustration of two red, stylized horses facing each other, decorated with green and yellow floral patterns; "baked goods & candy" in a black, serif font; "cinnamon rolls, coffee & juice" in a black, serif font; and "Proceeds benefit many local charities!" in a black, sans-serif font.

HEALTH MINISTRY

My favorite season is just around the corner; prayers that we have a long and colorful season of fall with its many activities and crisp days. I hope that you have had a wonderful summer, often it gets so busy with company and fun, it becomes almost too much activity and goes by way too fast. Fall signals the beginning of the school year and return of some of Crosslake Lutheran's most well-attended programs. **"Matter of Balance" class will start September 6th, 2-4 pm.** Please sign up through Crow Wing Energized on their website under classes. If you have difficulty with that, please see the church office or me so that we can be sure you are on the list since class size is limited. **"Diabetes Prevention" class also starts September 6th from 9-10 am; it is a great way to lose weight, establish better eating habits and make a commitment to exercise regularly (details on these two classes are on the next page).** See Becky Kalton if you have questions about if this class is right for you.

Thank you to those who have chosen to attend the Befriender class this past month. The team has fluctuated from as many as 28 to as few as 11 but the program is still strong since there are wonderful people who are befriending folks especially for long-term partnerships. If you or someone else you know would benefit from having a Befriender or you just want to know more about the program, please see me. As strong Lutheran upbringings with a Scandinavian/German twist, I was not raised to ask for help and to really not let others know about family struggles, so for many of us, it is not easy to reach out in times where a listening presence may be helpful. If you are in that place in your life, know that these relationships are based on what you need and are confidential in nature. I try to partner you with someone that has the gift for whatever your situation. God works through the ministry of walking with others during times of joy and sorrow.

Please remember to stay home if you have any concerns about symptoms related to COVID especially if you have been exposed to someone with active infection. The most recent outbreaks are related to a variant strain that seems to be a bit more transmissible so home testing and talking to your provider if have questions about COVID is really helpful. Kits are readily available through drug stores, the VA and local clinics. The CDC asks that if you are high risk (diabetic, have immunity issues, heart disease, obesity, etc.) you should wear a well-fitting N95 mask if you are in public spaces especially with poor ventilation when transmission rates are high in the county. When in doubt, talk to your provider. I am glad that kids are able to attend school and mask mandates have been lifted; it has really impacted social interaction, learning and even safety for some kids. I hope that the fear, judgement, controversy and overload of conflicting information has subsided and that our lives can be lived without the additional stress of all of that which in itself suppresses our own natural immunity which is still a wonderful way to stay well. Another way to stay well is to make better food choices to reduce inflammation in the body which leads to many types of diseases. Minimize added sugars, processed food, cutting back on red meat, limiting saturated fat, and getting regular exercise go a long way to reduce disease of all types especially heart and mind. What small choice can you make today to have a lasting impact? I am having protein smoothies with blueberries at least twice a week instead of my usual skipping breakfast except for my needed coffee. Nothing changes if we do not change so make those changes today if you want to age well and reduce risk of disease. See me for more ideas as to how to stay well if you have questions.

Blessings and good health to you.

Gail Smith RN, Parish Nurse

DIABETES PREVENTION CLASS

Lifestyle Change—Diabetes Prevention Class will start September 6th from 9-10 am on Zoom led by Becky Kalton. This course looks at ways to create a healthier lifestyle and prevent diabetes. Through diet and exercise an individual can delay or prevent diabetes through weight loss and healthy eating. There is no cost for this year long course. To register online go to <http://crowwingenergized.org/events> or see Gail Smith, Health Ministry.
